**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. I use a small company for my email and this works for me. I am opposed to anticipated price increases for access to the internet or for phone use if local, competitive carriers were extinguished.

Thank you.

We need to keep the providers diverse and competitive!
